My Dear Crane

All right: as you  
say no harm could be done by  
that: for the rest someone at a  
Committee meeting might find some  
means of helping him.

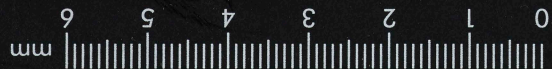

By the way, don't you think  
we ought to have a Committee-  
meeting very soon? I am going  
out of town for a week on the 16<sup>th</sup>.  
Should it be before that, or

after? I want to see You also  
about business Connected with  
my press but I must write  
again about that or wait till I

See You - Yours very truly

William Morris
