Marlborough House.

January 14th
1882.

My dear Lord Stamford

I must write
you a few lines
to thank you
& Lady Stamford
once more for
all your great
kindness &
hospitality during

may stay at
Bromsgrove which
I am thoroughly
enjoyed —

The excellent
spark has
exceeded my
expectations - &
will not be
easily forgotten
by me - & I
have also carried

away the much
appreciable collection
of the largely
winded by the
inhabitants of
Leicester & of the
County —

Trusting that
Lady Harcourt's
health may not
have suffered
from the large
party staying
in the house

Bethine m.

My dear Lord Stansford.

Yours very sincerely

Arthur Howard.
