

My dear Sister.

I hope you are
very well; I should like
to see you; I see the Calves
fed ^{fed} nearly every night, &
the cows milked, & I
walk after the twenty
seven goslings, & my
sister says I make
twenty eight; We hear
the birds sing, & the
young ones begin to

Eveline

My. I ride my sister
Monkey; & I have
been to Guy's Cliff,
& I saw Guy's Cave
& statue. Pet has
got ~~two~~ two puppies
we drowned four;
she is very fond of
them, & lies with
them in a basket in
the parlour, & when
I carry them in
she jumps & backs

to get at them. I send
you my love, & remain

Your affectionate
